

# Coloured CandleLights

IMAGEO

**Add a touch of colour to fun evenings.** Similar to the glass CandleLights but in unbreakable plastic holders, the IMAGEO Coloured CandleLights add a modern dimension to home ambiance. There's no chance of broken glass, so they are safer for children and the elderly too. Coloured CandleLights are available in six attractive colours. Three popular colours are executed in a special packaging: the pink 'Princess' version is especially for girls, the blue 'Adventure' version is especially for boys and the orange 'Safety' version is for the elderly. Again, Coloured CandleLights provide up to 14 hours of light per charge, and are supplied with the wireless induction charger. Coloured CandleLights are perfect for parties, barbecues and cozy dinners indoors, on the terrace or balcony.
